VLADYSLAV SMALIICHUK

COMPUTER SCIENCES STUDENT

JOB OBJECTIVE

Currently completing my second year of a Bachelor's Degree in Computer Science at the IUT in Annecy, France, I am looking for an internship to expand my knowledge. I am constantly striving to improve both personally and technically, and I know how to work as part of a team while maintaining a degree of autonomy. Passionate about development, I am able to adapt to new technologies, which I see as opportunities to broaden my skills.

WORK EXPERIENCES

Maison Perrier (ice cream shop)

– Annecy, France

Summer 2024 - 2025

- Personalized customer service in a dynamic environment.
- Preparation and sale of handmade ice creams according to traditional recipes.
- Stock management and quality control of products.
- Maintaining cleanliness and organization of the point of sale.
- Providing advice to customers on different flavors and new arrivals.
- Participating in the implementation of seasonal promotions.

Burger King (fast-food) –

Summer 2023

Epagny-Metz-Tessy, France

- Quick preparation of orders in the kitchen according to hygiene standards.
- Handling customer payments and managing transactions.
- Maintaining cleanliness and adhering to food safety regulations.
